As Ukraine seeks to join the North Atlantic Treaty Organization (NATO), work is underway to plan, implement, monitor and evaluate the reforms required to meet NATO principles and standards.

The Annual National Program (ANP) - NATO Reform Initiative is part of the Government of Ukraine's work with SURGe. The ANP, produced yearly under the Ukraine-NATO Commission, includes 100+ nation-wide sectoral reforms. More than 40 per cent of the policy areas addressed are social and economic, reflected in national priorities on the rule of law, energy, security and the environment.
